## Editors' Note

In the last year we have had many memorable moments, which each will remember. In this yearbook we have tried to recapture some of those moments, whether exciting, disappointing, or sentimental. Most events were carried out with "FRIENDS." Friends mean so much to each and everyone of us. Everyone is their happiest when they are among friends. I hope, as years pass by, you can look at the '86 Wildcat yearbook and the friends who made them memorable.

We would like to personally thank the following people for their help in making this yearbook possible:

Mr. and Mrs. Gordon Folkers and Mr. Jim Rosebery

for all of the many times they took pictures

Blunk Studio for all the time they spent taking

pictures and developing our pictures so promptly

A special thanks to Danessa Harkins, Shelly Davis

and Shon Pilkington for all their help.

To Mrs. Carla Wilson, sponsor, we wish to thank you  
for everything.

Even though this has been our first year in editing the yearbook, we feel we have succeeded in putting forth one of the best books yet.

Now to all of the classmates, teachers, and administration for putting up with us and all of the long days of picture taking — Thank you.

This book represents the emotions, the insights, the happenings, the relationships, and the knowledge of books and of yourself which are opened to each individual. We have tried to show the doors which have been opened in a high school year; yet remember that there are many more doors which must be opened in the corridors to your mind.
